Delaware County Intermediate Unit (DCIU) Dashboard

The goal of this dashboard is to communicate the total number of confirmed COVID-19 cases among staff and students at the DCIU on a daily basis.

DCIU continues to work with the Chester County Health Department (CCHD) for guidance with our Health and Safety Plan and on positive COVID-19 cases. If your child attends our programs or you are a staff member of the DCIU, remember to stay home if you are feeling ill. If your child is in close contact with someone with COVID-19 or has been diagnosed with COVID-19, contact your child's program's supervisor/principal. DCIU personnel follows internal procedures for reporting the information.

Starting December 15, 2020, this dashboard will also include daily numbers for contractors working at DCIU sites.

As of this Monday, Delaware County is at LOW transmission level

Positive Cases by Campus
