Dear Staff:

This afternoon the Governor announced that he will be closing all non-essential travel, services and activities, which includes all schools in Pennsylvania. All DCIU and DCTS programs and services will close beginning Monday, March 16, 2020 through Sunday, March 29, 2020. At this time, DCIU and DCTS will re-open Monday, March 30th. Please be aware this is a fluid situation and changes may need to be made as DCIU receives updates from the Governor's office.

With all of that being said, I know there are many questions surrounding this most recent decision. As mentioned, this is fluid and evolving situation. As the DCIU learns of information, it will be communicated. At this time, we do not know what days might need to be made up. At this point, DCIU does not anticipate changes to our upcoming spring break. However, please know that this issue is very fluid and changing constantly so please just be patient as we are a number of weeks away from spring break.

DCIU wants to assure you that the health and safety of all students, families, and staff is a top priority. I appreciate your understanding of the short notice to cancel programs for children and students on Monday, March 16 through March 29, 2020. At this time, we plan to reopen on Monday, March 30, 2020 barring any other closures by our Governor.

Thank you for your understanding.

Sincerely,
